# Why It Pays to Buy DUNHAM'S Plants

Our climate is ideal for growing plants and we have spared no expense in our soil improvement. Every field has been carefully studied and planned several years in advance, and all the modern methods known used to preserve the moisture for the plants during the dry season. Many car-loads of fertilizer are used each season.

## BECAUSE WE SHIP DIRECT FROM OUR NURSERY FARM TO YOU!

We grow our own plants, pack and ship direct from our packing house on the farm; thus enabling us to sell these plants at these exceptionally low prices.

## OUR GUARANTEE

WE GUARANTEE ALL OUR PLANTS TO BE FULLY UP TO GRADE, OF GOOD QUALITY, CERTIFIED TO BE FREE FROM DISEASE, AND ABSOLUTELY TRUE TO NAME; ALSO TO REACH THE CUSTOMER IN PERFECT GROWING CONDITION.

Furthermore, we will, at our option, either replace free of charge or refund purchase price, on any stock that arrives in bad condition; PROVIDING CLAIM IS MADE WITHIN FIVE DAYS FROM ARRIVAL OF SHIPMENT, ACCOMPANIED BY A SIGNED STATEMENT FROM THE EXPRESS AGENT OR POSTMASTER AT DESTINATION, SHOWING EXTENT OR LOSS OF DAMAGE.

## OUR PLANTS TRUE TO NAME

If any plants prove untrue to name they will, at our option, either be replaced free of charge, or purchase price will be refunded, but in no case will be responsible for a sum greater than the original purchase price paid. Beyond this our liability ceases. It is understood and agreed between the customer and ourselves that the purchaser's order and our acknowledgment of its receipt, shall constitute a mutual acceptance of the above terms and conditions.

# General Information

## LOCATION

Our nursery is located in Berrien County, 6½ miles west of U. S. 31, and 6 miles east of U. S. 12, on the Berrien Springs and Baroda road, in the heart of Michigan's fruit belt. Our P. O. address is Baroda, Michigan, shipping point, Berrien Springs, Michigan.

## ORDERING

Due to the drought and severity of the winter, there is a great shortage of fruit plants. We ask you to place your orders at once so that we may reserve the stock for you. Be sure to state how you want your order sent and give your post office, express office, or freight office address. BE WISE—ORDER EARLY!

## ACKNOWLEDGMENT

Your order will be acknowledged same day as received and will have our personal attention and prompt shipment as per your instructions.

## SHIPMENT

Begins about March 15th and lasts until May 15. We can ship your order any time you state in your letter, weather being favorable. We recommend parcel post as the most desirable method of shipment for small orders and express for larger orders. Raspberry, Blackberry and other heavy plants can be shipped safely by freight early in the season. However, all freight shipments go at customer's risk. On late shipments, we advise to ship by express or parcel post.

## PARCEL POST

Strawberry plants can be sent by parcel post. Transportation charges are paid by the customer on receipt of stock. Through our many years experience in shipping nursery stock we find this method most satisfactory to customer and shipper. You pay the charges C. O. D., thus you pay only your exact charges. If flat transportation charge was made, customers living 300 miles from us would have to share the charges for those living 2,000 miles away. Parcels marked C. O. D. for delivery charges receive special attention of postal clerks and are automatically insured. If your parcel or any part of the contents is lost or damaged, you may notify us at once and we will make adjustment.

## TERMS

We will book all orders when one-fourth cash accompanies the order. On One to Five-Dollar orders, cash before order is shipped. On larger orders cash before stock is shipped, if convenient, if not, we will ship C. O. D. for balance.

## REMITTANCE

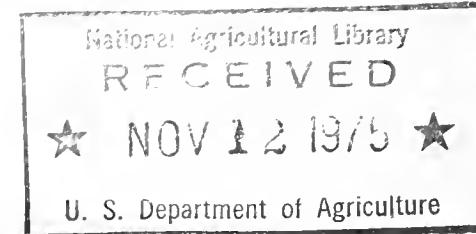

Send Express or Post Office Money Order, Draft or Registered Letter; checks from responsible persons are also accepted.

## CLAIMS

We consider that you know what you want and fill your order accordingly, never substituting without permission. When ordering late in the season, state second choice. In case of error all claims must be made within five days after goods are received.

## DESCRIPTIONS

If, for any reason, you do not have descriptive catalogues to consult, we will be glad to send you complete descriptions of the stock in which you are interested. Your correspondence will be appreciated.
